NOTE.—In each of the years 1923 to 1929, inclusive, a table similar to table "L" mentioned above, showing statements of assets and liabilities of the individual national banks for one date in the year, was also issued as a supplement to the Comptroller's report, but in lieu of being designated as tables "A" to "G", inclusive, they were numbered 89, 93, 94, 98, 121, 97, and 103, respectively. Since 1930 the supplements are lettered alphabetically beginning with the letter "H." Prior to 1923 individual statements were included in the report proper.
